Dear Peggy:

It is my pleasure to present you with the enclosed check for \$10,000 from Newman's Own for the Southern Arizona VA Healthcare System.

Make A Difference Day was always important to Paul Newman, and Newman's Own is proud to continue this initiative in partnership with USA WEEKEND Magazine and Points of Light Institute. Thanks to your efforts, this program effectively promotes volunteerism and encourages others to make a difference in their local communities.

I wish you much success and look forward to hearing about your work in the future.

Sincerely,

Tom Indoe
President/COO
