Hello and Thank You!

We wanted to extend another heartfelt thanks to you for your donation and tell you about the veteran you sponsored. Because of support like yours we are taking 25 of our local World War II veterans on their long awaited Honor Flight. Honor Flight #14 is scheduled for June 25th – 27th. This is our first ever "Super Seniors" Flight – all veterans except one are 90 or over. We would like to invite you to attend our send off and return activities and cheer for our vets on as they leave and return. Both events will be held at the American Airlines ticket counter on the departure level at Tucson International Airport.

Send Off – Wednesday, June 25th from 4:00 **AM** – 5:00 **AM**

Return – Friday, June 27th from 1:00 PM to completion

If you've never been to one of these events, you won't want to miss it! It will be an hour well spent and the personal reward is priceless – both for you and the vets! All you need to do is show up and cheer. Parking will be in the regular lots available at the airport. Please note that due to the large volume of participants we cannot guarantee ticket validation for these events.

Your donation of \$1000.00 is being used to send a veteran on this flight. A short biography and picture of "your" vet is attached. If you come to send off or return we will make every effort to introduce you so you can chat, take pictures, etc.

Thanks again for your support of Honor Flight Southern Arizona and our precious World War II vets!

Sincerely,

Kathy and Thom Mansur
