Dear Peggy:

On behalf of the Green Valley MOAA Scholarship and Military Assistance Fund, I would like to thank The Women of Quail Creek for strongly supporting our 4th of July Food for Families drive.

Thanks to the generosity of your members and other Quail Creek residents we collected over 400 pounds of food and \$160 to help the families of the 162nd Arizona Air National Guard.

Perhaps even more noteworthy, The Women of Quail Creek donated over \$13,000 worth of coupons the Guard families can use at the Commissary or other stores. The patient, selfless work required to clip that many coupons was a testament to the charitable hearts of your members.

Please extend our thanks to your membership. We look forward to further cooperation between our organizations.

For your records, the EIN of the Green Valley MOAA Section 501(c)(3) fund is 41-2277281.

Sincerely yours,

A handwritten signature in cursive script that reads 'John McGee'.
