Dear Peggy,

Generosity changes lives. It gives people new opportunities and makes brighter futures possible. How does it feel to know you are changing lives in Amado, Green Valley, and Sahuarita?

Take Richard, a father, who says, “The food helps our family of five in so many ways. Even though we receive food stamps, the monthly allowance doesn’t cover the whole month. The Food Bank helps us make ends meet. Without it, we’d starve.”

Because of the Women of Quail Creek’s generous gift of 79 pounds of food and \$165.00, Richard—and so many like him—will sit down to enjoy a nutritious meal with his family. But, it’s so much more than a meal... it’s knowing his children won’t go to bed hungry tonight and that he has healthy options for the whole family to enjoy.

You’ve given him a great gift – the assurance that everything will be okay. And, sometimes, that is just what a person needs to move forward through their most challenging times.

Thank you for your generosity and support. With your help, people battling hunger in Amado, Green Valley, and Sahuarita have a place to turn when food is scarce. Because of you, they get the help they need when they most need it. And, when that happens, our entire community benefits. We become stronger and more resilient when everyone has a chance to succeed.

With each kind gift you give, you make a difference in the lives of others. Thank you for your generosity.

Sincerely,

Mary Jane Goodrick
