Dear Carol,

Thank you for your donation of the beautiful "Shared Table" cookbooks that you donated to the Quail Creek Veteran's Golf Association. They were a big hit! Your participation was very helpful in making our 2015 Quail Creek Veterans Charity Golf Tournament a huge success.

Obviously, the QCVGA is grateful for the support of all of our sponsors. As you know, the prizes and awards we are able to present at our golf tournaments and events help to create excitement and increased participation by both members and guests. This increased participation results in more funds raised for worthwhile military and veteran support services. With your help, we were able to raise over \$4000 for our charity fund as a result of the 2015 tournament.

Again, thank you for your generous donation. We look forward to working with you in the future to continue the work, and fun, of our Quail Creek Veterans Golf Association.

Sincerely,

Rene Gill
