

Sheila Sulwer – one of the “mom’s” from the 2017 baby shower

JUNE 2, 2017 -- Hello Ladies, I want to thank all the ladies for such an amazing baby shower. We received so many beautiful handmade treasures and were blessed with so many items for our little Anna Jane. We had such a great day and are so grateful. I couldn't believe the beautiful handmade items that the ladies made. Anna loves her bandana bib, bandana ring toy, little hand and foot rattle socks and the endless clothes. I love the diaper changing mat that folds up. We used it to travel last week and it was amazing. You ladies are so talented and gave us such beautiful things. Oh my gosh the pink blanket that someone made is sooo comfy and our whole family loves it. I could just comment on every single item. My friends and family were just so impressed when I showed them all the pictures. I came right home and Facetimed my mom to show her everything. I love that you all put so much time, and love into making the day so special. All the ladies made me feel so special and also made my 2 year old special too. I also sent a thank you note to Quail Creek with a picture of our little Anna. Thanks again we love you ladies so much!!! Sheila Sulwer
