Dear Ms. Mutter:

Yesterday, Peggy McGee informed me of the overwhelming start of the "Food for the Troops" program accomplished by The Women of Quail Creek. Over the years I have learned that organizations fall into two broad categories. They are either "Talkers" or "Doers". Obviously, the "Talkers" meet and discuss endlessly and accomplish little. The "Doers" act and proceed with action steps and talk about the results after they have reached their goals.

Anyone looking at the early results of the food drive must label The Women of Quail Creek as outstanding "Doers". What you and your organization has accomplished thus far is magnificent.

It is my understanding that the donations will be presented to Mrs. Barbara Gavre, Program Manager of the Military Family Assistance Office of the 162<sup>nd</sup> Fighter Wing of the Arizona Air National Guard. The Green Valley Chapter of MOAA has worked closely with that office for years and find it a very important support operation for the guard unit.

Let me express the appreciation of the Green Valley chapter of MOAA for the outstanding actions of the Board of Directors and members of The Women of Quail Creek in their support of this worthy cause. Congratulations on a job well done.

Sincerely yours,

A handwritten signature in cursive script that reads "Richard G. Newman".
