

Dear Diane, Sue Ann, and members of the
Women of Quail Creek -

Thank you so much for the thoughtful gift
for baby Sawyer! The bundle contained so
many "must-haves" that I'm sure we
will need over the next few months. We even
read the book to my two stepkids this weekend
and they loved it - they cannot wait to
share with their new baby brother!

Warmest regards,
Kristyn, Noah, and the whole gang
