Honor Flight Southern Arizona is proud to announce their 23rd flight will be carrying **67 WWII and Korean War Veterans** on the trip of a lifetime. Joining our other guardians and team members will be over 20 U of A student veteran guardians. Make your signs, wear your patriotic colors, and come join us at the airport Saturday morning (9/2) to cheer for our vets as they head to the boarding area. It is a great way to thank them and a teachable moment for all children - a moment they will never forget! Vets start arriving at 6:00 AM to check in, their procession to the gate begins no later than **7:30AM**.

The flight returns Monday afternoon (9/4), so plan on coming back for a huge “Welcome Home Vets” (the one they never got at the end of the war). We will be gathering at the Center Gallery (between Delta and Southwest Ticket counters) between 4:30 and 5:00 PM to prepare for arrival. This will be the only flight of 2017 so please take this opportunity to thank these heroes in person – it is a couple of hours well spent!

Parking: Please use the **Economy Parking Lot** on East Corona Rd (shuttle provided). Note: **Hourly and Daily** parking spaces are very limited due to ongoing construction and Labor Day Weekend congestion – some spaces may be available but will require a bit of a walk to the terminal. Bring your parking ticket with you up to the ticketing level and TAA will validate your parking ticket for these 3 lots - their way of saying thank you for supporting our vets!
