We have **23 WWII and Korean War** veterans scheduled on our September Honor Flight. Make your signs, wear your patriotic colors, and come join us at the airport Saturday morning (9/22) to cheer for our vets as they head to the boarding area. It is a great way to thank them and a teachable moment for all children - a moment they will never forget! Vets start checking in at 3:00 AM and will be heading to the gate **NLT 4:00 AM**.

The flight returns Monday evening (9/24); plan on coming back to the airport for a huge “Welcome Home Vets” (the one they never got at the end of the war). We will be gathering upstairs at the *Center Gallery Area* at around 7:00 PM to make preparations. (Remember, it takes about 45 minutes for the vets to de-plane). Please take this opportunity to be there to thank these heroes in person – it is a couple of hours well spent!

Parking: Please use either the airport’s **Hourly/Daily Parking Lots** in front of the passenger terminal or the **Economy Parking Lot** on East Corona Road just east of Tucson Blvd (shuttle provided). Bring your parking ticket with you for free validation – it’s TAA’s way of saying thank you for supporting our vets! (Look for the “*parking validation*” stand located within the event space.)

***It is always a good idea to check with the airlines prior to driving to the Airport to confirm the scheduled arrival times and check for any delays.*
