

## ∴ COMMUNITY OUTREACH ∴ Quail Creek Residents' Generosity Brings the “Joy of Books” to Local Elementary Students

Thanks to all Quail Creek residents who so generously supported the book drive for Sopori Elementary School in Amado. Because of your generosity the Community Outreach Committee was able to deliver 324 new books to the school. Three books were packed in each book bag handmade by the Quail Creek Quilt Covey and Needleworks Club for all 108 students. Paper Crafters members designed and laminated enough bookmarks for each student to receive two with the extras going to the teachers to use throughout the year. The club also donated \$260 to enable the school library to buy new books for the 2023-2024 school year.
